

# Herbal Medicine for Our Changing Times

## ***A PRACTICAL HERB COURSE 2012***

Ecologically Sustainable Herbal Medicine

Presented by John Redden RH

The course consists of three sessions in the spring, summer and fall. The class will meet one evening a week from 7:00PM to 9:30PM. Summer attendance is variable.

### ***THE OBJECTIVES OF THE COURSE ARE:***

\*To guide participants through one entire growing season, in order to learn about and experience the planting, tending, and harvesting of approximately 25 medicinal plants which grow readily in Ontario. Students will participate in a group garden provided by the teacher and they may grow some plants at home in their own gardens.

\*To discuss the medicinal uses of these plants & about 25 more local wild herbs. To learn by doing, how to prepare and use the various remedies they provide; to address concerns about the appropriateness of herbal medicine for our time and the importance of ecological sustainability.

\*To learn how to use the herbs safely and appropriately for the improvement of personal health and the health of the ecosystem.

*(Participants must enroll for all sessions.)*

Spring session May and June, Summer session July and August, Fall session September and October.

The garden will be available for tending and harvesting on days not scheduled for class. Elective group gardening time and herb walks will be scheduled in, according to student/teacher availability over the summer. Herb walks around Ontario will take place spring, summer, and fall.

*Enrollment will be limited to about 30 Students.* The cost for the entire course is \$500.00, which will cover lectures, class notes binder, herb walks, gardening time, herb products and food products. A Certificate of Completion will be awarded at the end of classes. Students will keep a copy of the class workbook, as well as an assortment of tinctures, salves, syrups, creams and fermented foods that they have manufactured during class time. Please preregister with a deposit to hold your place in class. The balance is due on the first day of class. There will be no refunds after the first full class. Missed classes may be made up in the following year. Continuing Education Credits may be applicable for professionals.

*Classes will be held at Viriditas Herbal Products, 2775 Dundas St. West, Suite 108 (2 blocks East of Keele)*

JOHN REDDEN RH is a Western Medical Herbalist with an eclectic background. He has over thirty years experience growing and wild crafting herbs, teaching and manufacturing remedies. As a member and former vice-president of the Ontario Herbalist's Association, he co-founded "A Celebration of Herbs", Toronto's largest herbal event. John's studies in the U.S., Britain and Canada culminated in the founding of Viriditas Herbal Products in Toronto, whose clients include professional herbalists, naturopaths and medical doctors
